Part B for April 1927

SUBJECT

Retrenchments in the Establishment of the Members of Council

To

The Comptroller, Nagpur Govt., Accts' Jt. Suth
No. 2512/C.B. Dy 11/4/27

Directs that Personal Assistants to Members of Council be in future given an allowance of Rs 25/- p.m. subject to a maximum salary of Rs 150/-.

19th January 1927.

My dear Mr. Krishna Rao,

I would be grateful for your opinion whether there is any scope for reduction in the Establishment under the Members of Council. I find that the present cost of both the Clerical and Menial Establishment under each Member is Rs.4,848 per year. I wonder if it would be possible for the Members to do without a costly Personal Assistant on Rs.150 and whether a Senior Stenographer (on Rs.40-5-100-6-130) and a Second Division Clerk (on Rs.30-3-60-4-80) would not do. The Menial Staff may not admit of any retrenchment, unless you think that one of the two cycle - orderlies may go.

I am led to making these suggestions in view of the fact that we are shortly to have a Third Member, involving, at the existing standard, additional cost on Establishment. I have no doubt you will understand and help me with your suggestions.

With kind regards,

Yours sincerely,

PUBLIC OFFICES,

Bangalore, 22nd January, 192 7

Dear Sir,

I have received your D.O. letter of the 19th instant enquiring what scope for reduction there is in the establishments under the Members of Council.

2. Taking first the menial establishment, I find that the number of hands allowed here is much in excess of the corresponding establishment in British India. In all the Provinces except Madras, Members of the Executive Council are allowed only 4 servants each. In Madras, however, the number is 6. Here in Mysore each Member is allowed 8 servants. That reduction is feasible is evident from the comparative figures noted above. If it is not immediately possible to reduce the number to 4 as in most of the British Provinces, the abolition of at least two places in the menial staff of each Member, reducing the number to 6 as in Madras, may, I think, be given effect to.

3. When the number of servants allowed to a Member of Council is reduced to 6, corresponding reductions in the menials allowed to Secretaries may have to be made. At ~~the~~ present the Chief and the Financial Secretaries have 6 servants each, while the other Secretaries have 5 each.

4. As regards allowing a Personal Assistant to each Member, I personally consider that the need for the services of an officer of this kind is not indispensable. It has, however, been t h e tradition here from a long time to allow an Assistant of t h i s kind. Instead of two clerks, one Personal Assistant and one Clerk might be allowed. With a view, however, to limit the cost, I think it may be laid down that, where for the place of a Personal Assistant an officer is selected from the Secretariat staff, he may be a First Grade Clerk and not an officer of higher rank.

5. With the appointment of a Third Member, my work will be reduced and the Junior Stenographer now working with me may be transferred to the personal staff of the Third Member. This stenographer —— Mr. P. Ramachandra Rao —— is very well qualified for his work having passed the Senior Grade both in Typewriting and Short-hand and I have found him very respectable and serviceable.

6. There are one or two directions in which some economy in the cost of establishment is, I think, possible. It has always struck me that the establishments allowed to the Offices of the several Boards of the Economic Conference are excessive. The Offices of the Boards of Industries & Commerce, and Agriculture, have each of them the following establishments:-

One clerk on	..	Rs 50-5-75.
One clerk on	..	Rs 35-3-50.
One Mutchi on	..	Rs 15
Two peons on	..	Rs 11 each.

The Office of the Board of Education has the following staff:-

One clerk on	..	Rs 35-5-60.
Allowance to a part time clerk.	..	Rs 15.
One peon on	..	Rs 11.

7. From my experience of the work of the Board of Industries & Commerce, I think it should be sufficient to allow to each of these Offices one clerk and one peon. One clerk, one mutchi and one peon may, I think, well go.

8. I find that there is a mutchi on Rs 18 in the office of the Secretary to the Stores Purchase Committee. There is really no work for a servant of this kind and the place of this mutchi may, I think, be abolished.

9. The savings due to the abolition and transfer proposed in this letter may be roughly estimated at about Rs 4,200 per annum.

Yours sincerely,

M Venkatarama Rao

I consider that there will be no difficulty in adopting the suggestions of the Second Member of Council. I am submitting herewith three drafts for approval. In regard to the reduction of the number of menials in the Dewan's Office, it is a matter for the Dewan and I have not filled up the blank.

There are 8 menials attached to the establishment of the Extra-ordinary Member of Council. A D.O. may perhaps be written to the Private Secretary to His Highness informing him about the reduction of the establishment of other Members of Council and ascertaining His Highness' pleasure in the matter. Submitted to His Highness.

In connection with the establishment for the Third Member of Council, I took up the question of reducing the cost on the establishments of the Members of Council. The Second Member of Council made certain suggestions for reducing the number of menials allowed to the Members and the emoluments of their Personal Assistants.

2. The emoluments of the Personal Assistants to the Members of Council are at present fixed as shown below:-

An Officer already in the service of Government appointed as Personal Assistant to a Member of Council is, while so employed, entitled to a duty allowance of Rs.50 a month in addition to the salary to which he would, but for his appointment as Personal Assistant, be entitled. But in any case the total emoluments of the officer should not exceed Rs.150/- per mensem. Provided, however, that the limit of Rs.150/- shall not apply to a permanent Amildar or to the members of the staff of the General and Revenue Secretariat. It is also provided that when and so long as an officer appointed as Personal Assistant is drawing a pay of less than Rs.75/- or Rs.100/- he will be entitled to such duty allowance as will give him a total minimum salary of Rs.125/- or Rs.150/- respectively and that no officer drawing less than Rs.70/- shall be selected for the place of a Personal Assistant (Vide Article 56A of the Mysore Service Regulations).

3. The question of revising the salary of Personal Assistants was considered in Council at the meeting held on the 2nd February 1927 when the following resolution was recorded:-

"Personal Assistants of Members of Council may, in future, be given an allowance of Rs.25/- each per mensem subject to the condition that the total salary should not exceed Rs.150/-.

No reduction in the menial establishment of Members was found possible."

4. The resolution of the Council may be graciously approved.

5. The present Personal Assistants of the First and Second Members of Council will be permitted to draw the duty allowance of Rs.50/- ~~35~~ which they are already drawing. The reduction in these cases will come into force on change of incumbents.
